	<b><i>Work Ethic (6pts)</i></b>	<b><i>Division of labor (2 pts)</i></b>	<b><i>Attitude (2pts)</i></b>
<b>Total Points</b>  _____	Member actively engaged in group work providing additional information, support for presentation and contributed to the overall quality of the final lesson. Member was on task and not distracted (or member was not a distraction to others).  Points _____	Member worked with other group members to create handouts, presentations and questions – if not directly typing the material, providing content. All assigned tasks were completed to the approval of the larger group.  Points _____	Member worked with a quality attitude supporting the group and its mission.  "I would work with this person again."  Points _____
